

## Public Relations PASS / FAIL Criteria Level 1

- 1) **Tie a neck scarf or bandana around the animals' neck. The animal should wear the neck scarf throughout the trial.**

**Pass:** The animal stands calmly and allows scarf to be wrapped around neck and tied.

**Not pass:** Any type of resistance.

- 2) **Back the llama in L shape using either tables or chairs to form the L.**

**Pass:** The animal backs willingly through the L. Verbal cues and hand signals may be used.

**Not Pass:** The animal balks or has to be forced to back: Animal knocks over chairs/tables

- 3) **Walk the animal up to a cone, stop and have stand still for 30 seconds**

**Pass:** Animal stands still for 30 seconds. Verbal cues such as stop, stand, etc., may be used

**Not Pass:** Animal fidgets or refuses to stand

- 4) **After standing for 30 seconds have stranger approach and pet animal on the neck.**

**Pass:** Animal stands still and allows stranger to pet

**No Pass:** Animal fidgets or moves away from the stranger

- 5) **Hand the llama to the stranger and step back and take a photo of stranger with llama (photo may be simulated, no flash is required).**

**Pass:** Animal remains calm and stands still

**Not pass:** Animal fidgets and tries to get away from the stranger

- 6) **After photo is taken have stranger walk llama to cone and hand back to owner (owner is standing at cone).**

**Pass:** Llama willingly walks to cone and stops.

**Not Pass:** Animal refuses in any way

- 7) **Walk over tarp on the ground.**

**Pass:** Llama willingly moves over tarp. Handler may stop and let animal look at surface before proceeding.

**Not Pass:** Animal refuses or balks or tries to sidestep surface or move off of surface.

- 8) **Step up onto a platform (and cross it) raised at least 12 inches off the ground (this may be a piece of ply wood on two bales of hay or any other type platform that is available. May or may not include stairs.**

**Pass:** Animal steps on platform and follows handler across.

**Not Pass:** Animal refuses or steps off the platform.
