### Alpoz

Alpoz—This is a very tradition style male. He is 50" at the withers with large bone and a very correct conformation. He has passed his great frame and structure on to his offspring with all of them winning classes and champion awards at show. Alpoz also has a very willing disposition and is quite manageable, as are all of his offspring. We have been please with this male and are happy to offer a breeding to him for the Stud Promotion for the 2012 Gathering.

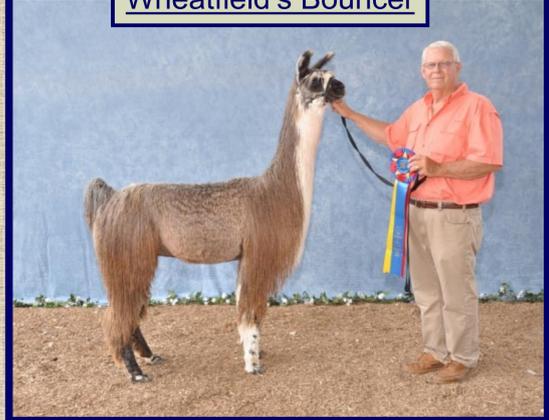

Kristy Brown, The Brownderosa and Linda Leake, Halfway Creek Ranch.

### MSF There's An App For That

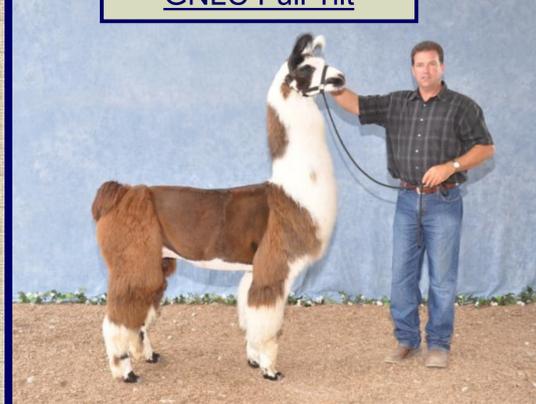

Mystery's Timone X MSF Sugar Cookie—Without a doubt the most EXTREME llama we have raised. He is a combination of the 2 best sires we have owned, Timone and Tuna Catcher. After placing 3rd in his first show at the Celebration World Futurity, "App" has put together a string of Champions at the Gathering, Indian State Fair, Michigan Lamafest and Lamafest Futurity and the North American Livestock Expo. The App's Sire, "Mystery's Timone" is currently the hottest stud in the country.

### Wheatfield's Bouncer

SSRMT Baldacci X GVL White Tinsel—We obtained Bouncer when we purchased Wheatfiel Llamas the fall of 2011. He brought some unique bloodlines to our farm that includes Whist, Newevo and Maximo. Bouncer's beautiful gray fiber naturally stays "show ready" due to its cool, slick hand. If you are looking for a suri with plenty of substance, bone and conformation, take a look at Bouncer

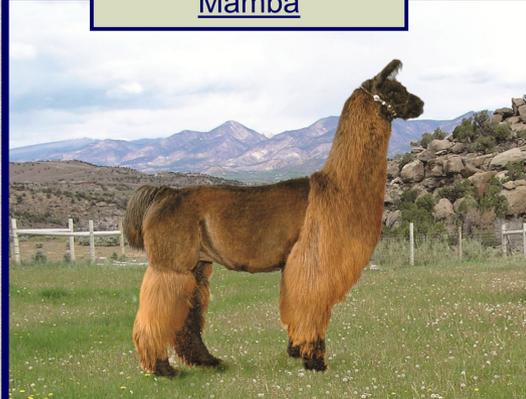

### GNLC Full Tilt

GNLC Santiago X GNLC Lady Guinevere—Having been in the purebred livestock business our entire lives, we are always looking for that next piece of the puzzle that will keep our breeding program moving forward.

We think the Full Tilt is the perfect fit for what we are trying to accomplish. A stud male that combines style, conformation and pedigree and who is always "ON". Full tilt will get your attention. We purchased him in the spring of 2011 and later won the ILR National Show. There have only been 2 males that have won the World Futurity, LFA Futurity and the National Show. Full Tilt is one and we own the other one too!

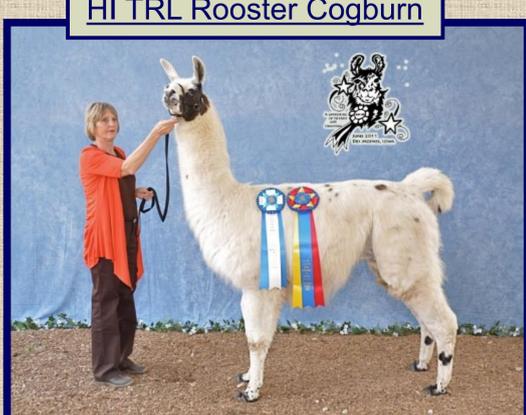

### Mamba

Grand Champion Extreme Heavy Wool  
Mamba is half Argentine with a genetic background that includes Argentine Kobra on his dam's side and Argentine Saltarin on his sire's side.

Mamba is a large, strong, athletic male with a gentle disposition that permits a grooming with grace. We have participated with him in Performance classes. We have good results.

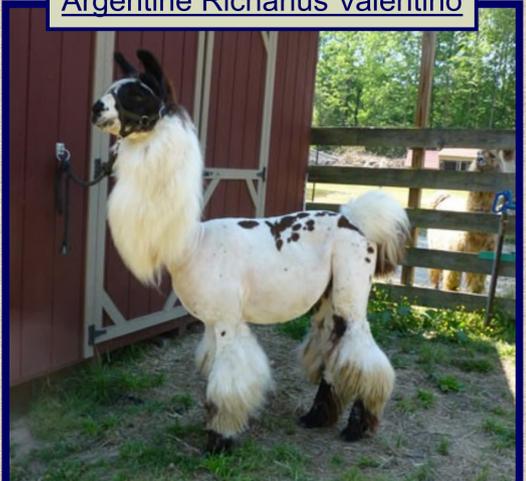

### HI TRL Rooster Cogburn

If you are looking for a Sire with size (46" at the withers), strength, good conformation and a great disposition, Rooster is the guy for the job. He comes from a long line of Packers, and Rooster is the guy for the job. He is a certified Carra.

Rooster started his show career in June this year and has done phenomenally. Five times in the show ring, earning Grand Champion all five times. His accomplishments include: 2011 ILR National Champion, Ohio State Fair Grand Champion and Grand Champion at the NAILE Llama and Alpaca Show in Louisville, KY.

### Argentine Richarius Valentino

Argentine Tico (ET) X Argentine Valentina (ET) - "Little Richie" is so good natured and calm, a real joy. He has his first three cria on the way...We are very excited to see what he produces. He is a true mini 37.25" at the withers. His show record is fabulous...

3 Grand Champions, Top Five 2010 World Futurity—2010 ILR Lifetime achievement—Certificate of Achievement ILR Show Division (Halter) and 2009 ILR Lifetime Achievement Universal Awards Program (Halter) to name a few.
