

How YOU Can Help YOUR ILR!

Supporting your ILR and its programs supports the llama community by producing materials and providing staff and programs that benefit all llama owners.

- Become a member or upgrade your current membership.
- Register all your cria. Once a llama is “lost” to the registry, they are usually “lost” forever. Let’s keep as many as we can in the registry.
- Transfer any llamas you sell to the new owner. Again, once a llama is “lost” to the registry, they are usually “lost” forever.
- Make a contribution to the ILR or ILR-SD.
- Make a contribution to the International Llama Foundation (ILF) – a 501c(3) non-profit whose mission is to provide education and support to llama owners and prospective llama owners.
- Take advantage of one or more of the marketing opportunities offered by the ILR – apparel, online auction catalog, farm/ranch services locator, Pot of Gold animals for youth, etc.
- Take advantage of the awards programs by entering your information online in the Universal Awards Program (UAP) to receive certificates of recognition for your animals.
- Take advantage of the Incentive Fund (IF) program that pays cash dividends for Universal Award points earned by nominated llamas in the show arena.
- Take the opportunity to participate in ILR-SD shows and clinics.
- Take advantage of one or more of the advertising opportunities offered by the ILR. Photo ads, free classifieds, mailing list rental and so on; all are the most complete and comprehensive in the llama community.
