Everyone looked at my emails and Sonja's bucket list, look at guidelines, fleece shipping fees. Ron says there are official Show Fleece Guidelines. Changing anything needs to go to the Governing Board and then back to the committee. Changes would become effective in the following year, i.e. 2021.

Sonja says save major guidelines for another day. Joy says need to take out Fleece Weighing from the Planning Guide.

Expenses, fleece shipping in-out, promoting fleece shows under mailing. Put our ideas here with the planning guide. Ron says that should be addressed in the guidelines. Joy says could be brought up at Fleece Training Clinics. Ron suggests exhibitor can always talk to the judge if time permits and he will try to look at a way to incorporate/add this.

Ron says that he has sent a list of forms to be deleted/updated to the ILR.

Shorn Fleece needs to be edited – length of time from shearing should be kept (last shearing date, previous shearing and length of time important not to get rid of.

Sonja/Bonnie – Coat On = Classic Animals / Fleece On = Fiber Animals Ron says it is an ILR Division.

Ron says earlier Planning Guide should be deleted. He also says that if the out dated forms are removed it would be a huge accomplishment.

Joy asked if Ron could work with Susan on updating these . Joy asked for a couple of days before she talks to Susan about the need to eliminate the repeats of tags. Ron agrees.
