OLD BUSINESS:

Missing show results for 2018

- There are still shows that have not reported their results for 2018.
- The board discussed various ways to possibly expedite the reporting of the show results in the future. The late reporting does not allow the ILR to close out the Universal Awards Program for 2018. This is not fair to the shows that report on time and members waiting for year end results.
- The board will seek input from the Show Superintendents Committee. Late reporting penalties would have to be determined by the Governing Board.

Youth scholarships for 2019

Ron has put together all of the youth scholarship program information and the forms for applying.

This information is available on line and will be sent out in an e-mail to membership.

Sean, Linda, and Ron from the BOD agreed to serve on the selection committee for 2019.

Ron will also contact the ILR-SD Youth committee for one more person from their members.

\$12,600 is in the fund now

ILR Fee Schedule- Transfer fees for new llama owners after 90 days

Greater than 90 days - non-member pays \$60

Board discussed ways to encourage registrations and the current fee schedule.

Authorize Susan to gather feedback from members concerning the current fees for registrations.

Ron is composing a "State of the Union" letter to membership. One focus of the letter will be

Discussing things a member can do to reduce the costs of transfer for their buyers.

Ron suggested the BOD make a donation in Kurt Brown's name, Kristy Brown's husband who passed away recently. The donation will be to the local cancer society.
